

STATEMENT

Portucel Soporcel group hereby declares that comply all the REACH Regulation requirements (Regulation EC N.º 1907/2006, of the European Parliament and of the Council, from 18 December 2006), amended by Regulation (UE) N.º 453/2010 from 20 of May 2010, Regulation (CE) CLP N.º 1272/2008 of the European Parliament and of the Council, from 16 de December 2008 and ensures compliance of others that may be published, related to Registration, Evaluation, Authorisation and Restriction of Chemicals, in order to improve the protection of human health and the environment, through better identification of the properties of chemical substances.

REACH Regulation requirements are applicable to Portucel Soporcel group as a downstream user of chemicals, a producer of articles and a manufacturer of chemicals.

Paper supplied by Portucel Soporcel group is a product and contains substances that need registration, although it doesn't contain Substances of Very High Concern (SVHC) in a concentration higher than specified in *EU candidate list of substances of very high concern and priority list of potential endocrine disrupters*.

All used chemicals were pre-registered and will be registered by our suppliers, within the legal deadlines.

Cellulose pulp (CAS number 65966-61-4) is listed on Annex IV of REACH Regulation and, therefore, is exempted of the registration, information to the downstream users and evaluation requirements.

As a result of REACH implementation, Portucel Soporcel's products are not at risk of reformulation or withdrawal from the market.
