

COALA CLEAR WALK

Product Information

Coala Clear Walk is a translucent floor graphic material that blends with the surrounding surface creating unique and dynamic visual effects. The reverse side is coated with a pressure sensitive adhesive, which can be applied indoors on various surfaces and remains easily removable, without residue, even after long use. Coala Clear Walk provides an extremely secure, slip-resistant and chemical resistance surface. Moreover, the quick and easily portable product is extremely foot friendly. The waterproof adhesive and associated durability of the film guarantee versatile usability. Coala Clear Walk is ASTM D-2047 certified and meets the Euro-Norm as DIN/EN
